## **Floating Homes Association** **Membership Application**

The FHA was formed to represent floating homeowners and renters 20 years ago. It is the only community wide organization that represents the interests of homeowners and residents. During its existence the FHA has effectively worked to resolve problems with insurance, dock maintenance, berth leases, rent increases, financing and floating home registration. The FHA also sponsored legislation (the “Floating Home Residency Law”) that provides owners and residents with legal rights similar to what mobile home residents have.

Be a part of your community. Keep in touch with what’s happening on your dock, in your harbor and in the floating home community. Your membership is essential for the FHA to continue to do its work. Membership includes:

- Access to the best available floating home financing via membership in the FHA’s affiliated Credit Union
- Floating Times newsletter
- Membership Party
- Having Fun!
- Tidelines Calendar and Marin Express at cost
- Dock Parties
- Web Site for members

Join now and be eligible to attend for free the annual general membership meeting and **party** in February! For 2009 the minimum membership fee is \$25.00. However, we are asking for **\$40.00** if possible. But whether you pay \$25 or \$40, it is the best bargain around.

Please take a moment to complete the other side of this application. Thanks for your help and mail it back with your check to: FHA, PO Box 3054, Sausalito, CA 94966.
